

Mr. Adrian Danciu**Senior Regional Director, South-Eastern Europe at Fortinet**

Adrian Danciu is the Senior Regional Director for South-Eastern Europe at Fortinet, a global leader in cybersecurity solutions.

With over 15 years of experience in the IT and cybersecurity field, Adrian has focused on business development and the implementation of security solutions in the Balkans and Adriatic region countries, making a significant impact in protecting organizations against cyber threats.

Adrian is a graduate of the Bucharest University of Economic Studies (ASE), where he earned a degree in Economics, Accounting, and Cybernetics, and he holds various international certifications in the field of IT security.

Before joining Fortinet, he held leadership positions at reputable companies, including NetSafe Solutions, where he served as Executive Director and Sales Manager, and WindSoft International, where he was a Large Account Manager.

He is an expert in advanced cybersecurity solutions, firewalls, routing, and Voice Over IP (VoIP).
