

Mr. Dan Cîmpean**Director of the National Cyber Security Directorate (DNSC)**

Dan Cîmpean has over 20 years of experience in cybersecurity and risk management, gained in Brussels, Bucharest, and at the international level.

He has led teams of professionals supporting European institutions, national cybersecurity authorities, and major corporations in defining and implementing cybersecurity policies, strategies, and both operational and technical measures.

In May 2020, he was appointed General Director of CERT-RO by the Romanian Prime Minister, with an aim to transform the organization. Dan is a member of the Board on the Administrative Council of the European Union Agency for Cybersecurity (ENISA) and a member of the Administrative Council of the European Cybersecurity Industrial, Technology and Research Competence Centre (ECCC).

He also chairs the governance board of the EU's CEF Telecom Cybersecurity Program.

Mr. Cîmpean holds a Master's degree in Physics and Engineering, awarded "*Magna Cum Laude*" by the University of Bucharest. He has earned nearly ten professional certifications in technology, cybersecurity, and management, contributed to over ten specialized publications, and delivered dozens of presentations at international conferences.
