

Mr. Florin Petolea**General Director, Timișoara Public Transport Company (STPT)**

Since December 2024, Florin Petolea has served as the General Director of the Timișoara Public Transport Company (STPT). Prior to this role, he held several senior positions in the telecommunications industry, including Chief Technology and Information Officer at Telekom Romania Mobile, Network Director at Romtelecom/Orange Communications, CEO of NextGen Communications, and Country Senior Officer and Managing Director at Alcatel-Lucent Romania.

He brings significant experience in business development, customer relations, and consultancy, as well as in implementing telecommunications projects, having served as a project manager and operations director. His expertise is supported by a Project Management certification and extensive training in sales, negotiation, and leadership. Mr. Petolea has over 20 years of experience in the telecommunications sector.

He graduated in 1992 from the Faculty of Electronics and Telecommunications at the Technical University of Timișoara and earned an MBA in 2005 from the Open University Business School in the UK.
