

Ms. Gabriela Folcuț

Executive Director – Romanian Association of Banks

Gabriela Folcuț is the Executive Director of the Romanian Association of Banks (ARB), where she coordinates the organization's activities and represents the interests of the Romanian banking sector, serving as a true dialogue partner in relations with Romanian authorities, the International Monetary Fund, the European Commission, the World Bank, and other domestic and international bodies.

With over 20 years of experience in the financial-banking sector, Ms. Folcuț is recognized for her significant contributions to the development of an efficient and sustainable banking industry in Romania.

A graduate of the Faculty of Accounting at the Bucharest University of Economic Studies (ASE), Gabriela began her career as a journalist at several prestigious publications. Additionally, she is mandated to represent the Romanian banking industry at the European Banking Federation, serving on the Retail Committee, the Communication Committee, and the Financial Education Task Force.
