

Mr. Marius Humelnicu

Senator

Marius Humelnicu is a Senator in the Romanian Parliament. With extensive experience in public policy and administration, Mr. Humelnicu is committed to contributing to the development of legislation that supports the progress and welfare of the communities he represents.

As a Senator, Marius Humelnicu is actively involved in parliamentary committees dealing with information technology, innovation, and national security. He works on drafting and revising legislation in areas such as digitalization of public services, personal data protection, and the implementation of IT security solutions in the public sector. He is a strong advocate for promoting policies that facilitate the adoption of emerging technologies and artificial intelligence to support economic development and the modernization of public administration.

He graduated from "Dunărea de Jos" University of Galați, Faculty of Mechanics, specializing in Managerial and Technological Engineering, and holds a master's degree in "Traffic Safety and Performance" from the Faculty of Mechanics at "Gheorghe Asachi" University in Iași.

Mr. Marius Humelnicu has had an active career in the public sector. He is a former footballer (having played, among others, for Oțelul Galați), former head of the Sports Directorate in Galați, and later head of the Galați Road Authority. He also served as City Manager and Deputy Mayor of Galați, and as Secretary of State in the Ministry of Transport.
