

Mr. Marius Marinescu**Managing Partner & CTO – Metaminds**

Marius Marinescu is the Managing Partner and Chief Technology Officer at Metaminds, a leading company specializing in IT consultancy and the development of customized software solutions. With over 18 years of experience in the tech industry, he is an expert in systems architecture, artificial intelligence, and digital transformation, playing a pivotal role in driving innovation across various sectors.

He graduated from the University POLITEHNICA of Bucharest with a degree in Ecological Technologies and Extractive Metallurgy, completing his thesis in 2001. Throughout his career, Marius has held key leadership roles in well-known companies, including CTO at Concept Electronics and CTO at Sunsmart Integrate IT. These experiences have provided him with a strong foundation in developing advanced technological solutions and leading high-performance development teams.

Driven by the challenges of the digital world, a passion for technology, and the ongoing need for human and professional adaptation in an ever-changing environment, Marius works alongside an exceptional team of top-tier professionals who operate with excellence as their default standard.
